## AN INSURANCE PROGRAM FOR THE NATURAL GAS DISTRIBUTION INDUSTRY

Created in 1988 by natural gas industry specialists, the UtilitySure insurance program is designed to address the unique exposures of publicly owned or investor owned natural gas utilities. Water, sewer and electric distribution utilities can also be considered only if these operations are incidental to the natural gas operation.

### COVERAGE AVAILABLE\*

- Automobile
- Boiler and Machinery
- General Liability
- Inland Marine
- Pipeline Coverage
- Property
- Public Officials Liability or D&O
- Railroad Protective Liability
- Umbrella

\*This is intended as a brief overview of the coverages offered.

### ELIGIBILITY REQUIREMENTS

- Natural Gas Distribution

### AVAILABLE ENHANCEMENTS INCLUDE:

- Short-term pollution event coverage (including spillage of artificial odorant)
- Failure to supply - policy limit for sudden and accidental occurrence
- Failure to supply - \$250,000 sublimit for property damage caused by other than sudden and accidental
- \$25,000/\$50,000 limit for regulator and/or odorization stations at unscheduled locations

ON YOUR TEAM.
